

Bio

Elyse Jung-Vrymoed is a Los Angeles based artist and teacher. She is a practitioner of the mantra “Yes, and...” Her 10 year work with young children influences her experimental attitude and hearty embrace of the ridiculous; though her subjects remain thoroughly adult. Interested in the ever poignant human topics of sex, myth and mortality; her artwork playfully points at life’s big juicy questions.

Education:

- | | |
|-----------|--|
